

Hello Learning Coach,

I am excited to share this news with you and |student.firstname|!

Iready is taking the place of Skills Navigator. Next week in class we will complete our 1st lessons in math & reading.

Be sure to attend class next Tuesday and Wednesday (12/15 & 12/16) to take advantage of this in class time. These 1st assignments must be completed before we go on Christmas break so that students are ready to 100% to use the program after Christmas break.

User ID is your student ID |student.id| and the password is mvca (unless you already have an account with an interventionist).

We will go through all the details in class Tuesday, but I wanted to share some information for the Learning Coach to help prepare you.

Students in 2nd grade will be required to use Iready **20 minutes 3 times a week for reading. 30 minutes 2 times a week for math.** You will eventually see Iready attendance on your OLS and I will also be pulling reports to track you times. (You are no longer required to work in Skills Navigator)

This program is to help meet our kids where they are at in their skills. It will help to give them the boost they need, at their level, to bring those NWEA scores up and fill educational gaps.

Thanks for your understanding.

Mrs. Fuller

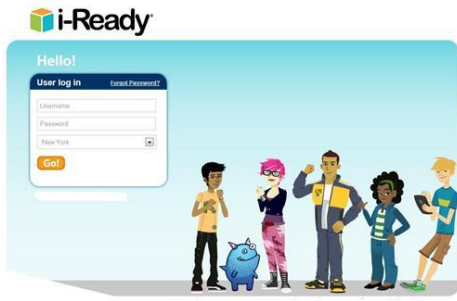

\*Reading Eggs/Express will still be there to use as you see fit.

Here are some videos to give you an overview of what Iready is:
